

**Safety Data Sheet** according to 91/155/EEC

Date of issue: 7-8-99	Supersedes version of: N/A	Page 1 of 2
n.a. = not applicable, n.k. = not known		
<p><b>1. Identification of the substance/preparation and of the company/undertaking</b></p> <p>Product details: Trade name: Dental Dam (All Colors)</p> <p><b>Manufacturer/Supplier:</b> Coltène/Whaledent Inc. 750 Corporate Drive Mahwah, NJ 07430</p> <p>Telephone (201) 512-8000 Fax: Emergency Information: (201) 512-8000</p>		
<p><b>2. Composition / information on ingredients</b></p> <p>Chemical characterization: Hazardous components: Non-hazardous components (100%):</p>		
<p><b>3. Hazards identification</b></p> <p>Not expected to be a health hazard.</p> <p>An FDA Medical Alert has been issued (March 29, 1991:MDA 91-1) "Allergic Reactions to Latex-Containing Medical Devices". This alert states that medical devices manufactured from natural latex rubber have been reported to cause allergic reactions, including anaphylaxis, in some exposed individuals.</p>		
<p><b>4. First-aid measures:</b></p> <p>General information: <b>After inhalation:</b> Not likely to occur <b>After skin contact:</b> None <b>After eye contact:</b> Flush with water <b>After swallowing:</b> Not likely to occur.</p>		
<p><b>5. Fire-fighting measures</b></p> <p><b>Extinguishing media:</b> CO<sub>2</sub>, Foam, Dry chemical <b>Unsuitable extinguishing media:</b> none <b>Special Hazards:</b> none <b>Protective equipment:</b> Fire fighters must use self-contained breathing apparatus</p>		
<p><b>6. Accidental release measures</b></p> <p><b>Personal precautions:</b> Store away from heat and open flames <b>Environmental precautions:</b> Observe local by-laws <b>Methods for cleaning up:</b> Shovel up and dispose of in approved waste facility. May be incinerated in compliance with prevailing regulations.</p>		
<p><b>7. Handling and storage</b></p> <p><b>Handling:</b> Follow instructions for use <b>Storage:</b> Keep in a clean, dry place. Store away from heat and open flames</p>		

8. **Exposure controls/personal protection**

General: None

**Safety Data Sheet** according to 91/155/EEC

Date of issue: 6/21/99

Supersedes version of: N/A

Page 2 of 2

Trade name: Dental Dam (All Colors)

Manufacturer/Supplier: Coltène/Whaledent Inc.

9. **Physical and chemical properties**

**Appearance:**

Thin latex rubber sheets of various colors

Odor:

slight odor

Boiling point/melting range:

not applicable

Flash point:

none

Flammability

Autoflammability:

na

Explosive properties:

none

Explosive limits in air:

÷ LEL: na      ÷ UEL: na

Vapor pressure (T=):

0

Relative density (T=):

Solubility:

negligible

pH:

Viscosity (T=):

10. **Stability and reactivity**

Conditions to avoid: Strong oxidation

Materials to avoid: Strong oxidizers

Hazardous decomposition products: None

11. **Toxicological information**

Vapor inhalation (high concentration): Not hazardous

- to skin: None

- to eyes: Flush with water

- to respiratory system: Not likely to occur

- Further toxicological information: See Section 3

12. **Ecological information**

General Information:

13. **Disposal consideration**

Shovel up and dispose of in approved waste facility. May be incinerated in compliance with prevailing regulations

14. **Transport information**

**15. Regulatory information**

Not hazardous.

**16. Other information**

The above information is based on our present day knowledge and relates solely to the safety requirements of the product. However users of the product should satisfy themselves that the information given is sufficient and correct for their specific circumstances of use.
