NIVO vps Impression Material

AFETY DATA SHEET

SAFETY DATA SHEET	
SECTION 1: PRODUCT AND COMPANY INFORMATION	Flash point:
Trade Name:	> 450 °F (material will ash)
NIVO Bite, NIVO Heavy, NIVO Mono, NIVO Light, NIVO Zero Algin, NIVO Putty - VPS Impression Material	Boiling point:
Manufactured For:	> 150 °C
Name NIVO Dental	Vapor pressure:
- Address 3110 Main Street Building C	< 5 mm Hg @ 25 °C
Santa Monica CA 90405	Crystallization point:
Edward Commencer	Not applicable
- Telephone 424-214-0792	Specific gravity:
Date:	> 1
04/27/2015	Solubility:
SECTION 2: HAZARDS IDENTIFICATION	Insoluble in water
Adverse health effects:	Volatile part by weight:
Non-irritant for skin	None volatile
slight irritant for eyes	
Physical and chemical hazards:	n-octanol partition coefficient:
NONE	Not applicable
Hazard classification:	SECTION10: STABILITY AND REACTIVITY
Not classified according to GHS. See adverse health effects section for additional information.	Stability:
SECTION 3: COMPOSITION/INFORMATION ON INGREDIENTS	Stable
	- Dangerous reactions:
Chemical Family:	- Hazardous decomposition products: None to our knowledge
ADDITION SILICONE (VINYL TERMINIATED POLYSILOXANE)	- Materials to avoid: No dangerous reaction known
Hazardous components:	SECTION 11: TOXICOLOGICAL INFORMATION
NONE - This product contains no hazardous components as defined in the OSHA Hazard Communication Standard (29 CFR 1910.1200)	Acute toxicity:
	Non-toxic
SECTION 4: FIRST AID MEASURES	Local effects:
Inhalation:	Eye irritant
Not applicable	3.4.10.110.00
Skin contact:	SECTION 12: ECOLOGICAL INFORMATION
Not applicable	Environmental fate:
Eye contact:	No data available
Flush immediately with plenty of water.	Degradability:
If irritation persists, see eye doctor.	Non-biodegradable
Ingestion:	Exotoxicity:
Small quantities will pass through system.	- impact on aquatic environment:
	No data available.
Consult a physician	
Consult a physician SECTION 5: FIRE-FIGHTING MEASURES	No affect anticipated
SECTION 5: FIRE-FIGHTING MEASURES	
TO WE HAVE PROPERTY AND THE SECOND PROPERTY AND THE SE	No affect anticipated
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media:	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS
SECTION 8; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NOME - Appropriate Waterspray, - Foam,	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media: - Unsultable NONE - Appropriate Waterspray, Foam, Powder,	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction of elimination: Dispose in accordance with federal, state and local regulations Prohibition Nore specifically
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NONE - Appropriate Waterspray, Foam, Powder, Carbon dioxide	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: - Destruction / elimination: - Prohibition - Prohibition Used packaging: Used packaging:
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable Appropriate Water-spray, Foam, Powder, Curbon dioxide Specific hazards:	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local Obstruction / elimination: Dispose in accordance with federal, state and local
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Waterspray, - Foam, - Powder, - Carbon dioxide Specific hazards: Material can burn generating irritating gases	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Dispose in accordance with federal, state and local regulations - Prohibition None specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local resolutions - Restruction / elimination: Dispose in accordance with federal, state and local resolutions
SECTION 9; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NONE - Appropriate Waterspray, Foam, Powder, Carbon dioxide Specific hazards: Material can burn generating prirating gases Specific invariation methods:	No affect anticipated SECTION3: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations - Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Obspruction / elimination: Dispose in accordance with federal, state and local regulations None applicable None applicable
SECTION 5; FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable Appropriate Water-spray, Foam, Powder, Curbon dioulde Specific inexards: Material can burn generating printating gases Specific inexperience outputs of the specific inexperience of the specific inexperience of the specific inexperience outputs outputs of the specific inexperience outputs outp	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Dispose in accordance with federal, state and local regulations Nores specifically Used packaging: Dispose in accordance with federal, state and local regulations Dispose in accordance with federal, state and local regulations Decontamination / washing SECTION 14: TRANSPORT INFORMATION
SECTION 9; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NONE - Appropriate Waterspray, Foam, Powder, Carbon dioxide Specific hazards: Material can burn generating prirating gases Specific invariation methods:	No affect anticipated SECTION3: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations - Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Obspruction / elimination: Dispose in accordance with federal, state and local regulations None applicable None applicable
SECTION 5; FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable Appropriate Water-spray, Foam, Powder, Curbon dioulde Specific inexards: Material can burn generating printating gases Specific inexperience outputs of the specific inexperience of the specific inexperience of the specific inexperience outputs outputs of the specific inexperience outputs outp	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Dispose in accordance with federal, state and local regulations Nores specifically Used packaging: Dispose in accordance with federal, state and local regulations Dispose in accordance with federal, state and local regulations Decontamination / washing SECTION 14: TRANSPORT INFORMATION
SECTION 9; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - NONE - Appropriate - Appropriate - Appropriate - Carbon dioxide - Specific hazards: Material can burn generating prirating gases - Specific invariation methods: Appropriate protective equipment must be worn in case of fire - SECTION 6; ACCIDENTAL RELEASE MEASURES - Recovery:	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Description / elimination: Prohibition Prohibition Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations - Destruction / elimination: Obspose in accordance with federal, state and local regulations Rome applicable SECTION 4: TRANSPORT INFORMATION Ground transportation:
SECTION 9; FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable NONE Appropriate Waterspray, Foars, Carbon dioute Specific hazards: Material can burn generating printating gases Specific interaction methods: Appropriate protective equipment must be worn in case of fire SECTION 6: ACCIDENTAL RELEASE MEASURES Racovery: Collect in a suitable container for disposal	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations None specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulations None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated
SECTION 8; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Foam, - Powder, - Carbon dioude Specific hazards: Material can burn generating irritating gases Specific intervention methods: - Appropriate protective equipment must be worn in case of fire SECTION 4: ACCIDENTAL RELEASE MEASURES Recovery: - Collect in a suitable container for disposal	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Despose in accordance with federal, state and local regulations - Prohibition None specifically Used packagings: Despose in accordance with federal, state and local regulations - Destruction / elimination: Dispose in accordance with federal, state and local regulations - Decontamination / washing None applicable SECTION 14: TRANSPORT INFORMATION Ground transportation: - Not regulation - Recognitions - Recognitions
SECTION 5; FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NONE - Appropriate NoNE - Appropriate Waterspray, Foam, Powder, Carbon dioxide Specific hazards: Material can burn generating prirating gases Specific intervation methods: Appropriate protective equipment must be worn in case of fire SECTION 6: ACCIDENTAL RELEASE MEASURES Recovery: Collect in a suitable container for disposal Cleaning / Decortamination:	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Description relimination: Dispose in accordance with federal, state and local regulations None applicable SECTION 4: TRANSPORT INFORMATION Ground transportation: Not regulated Sea transportation: Alter regulated Alter transportation:
Extinguishing media: - Unsuitable - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate protective equipment must be worn in case of fire - Appropriate -	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition Nore specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulations regulations SECTION 4: TRANSPORT INFORMATION Ground transportation: Nor regulated Set transportation: Not regulated Alt transportation: Not regulated Alt transportation: Not regulated
Extinguishing media: - Unsutilable - NONE - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Waterspray, - Foam, - Powder, - Carbon dioude - Specific hazards: - Material can burn generating irritating gases - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - Section 4: Accidental Release Measures - Recovery: - Collect in a suitable container for disposal - Collect in a suitable container for disposal - Collect in a suitable container for disposal - Unipposal: - Ulipoposal:	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Prohibition Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Destruction / elimination: Prohibition None specifically Used packaging: Destruction / elimination: Prohibition Dispose in accordance with federal, state and local regulations Prohibition SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea bransportation: Not regulated Air transportation: Not regulated Air transportation: Not regulated SecTION 15: REGULATORY INFORMATION
SECTION 5; FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable ADDED ADDE	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Dispose in accordance with federal, state and local regulations regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Description relimination: Dispose in accordance with federal, state and local regulations None applicable SECTION 14: TRANSPORT INFORMATION Ground transportation: Not regulated Set transportation: Not regulated All transportation: Not regulated SECTION 15: REGULATORY INFORMATION Federal:
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Misterial can bour generating irritating gases - Modern Carbon dioxide - Modern Carbon Carbo	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Destruction / elimination: Prohibition None specifically Used packaging: Destruction of elimination: Prohibition None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea transportation: Not regulated Air transportation: Not regulated Air transportation: Not regulated SecTION 15: REGULATORY INFORMATION Federal: SecTION 15: REGULATORY INFORMATION Federal: SecTION 15: REGULATORY INFORMATION Federal: Sear title III section 313: This product does not contain any substance subject to
SECTION 5; FIRE-FIGHTING MEASURES Extinguishing media: Unsuitable ADDE ADDE ADDE ADDE ADDE ADDE ADDE ADD	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used peckaging: Dispose in accordance with federal, state and local regulations - Prohibition None specifically Used peckaging: Dispose in accordance with federal, state and local regulations - Decontamination / washing None applicable SECTION 16: TRANSPORT INFORMATION Ground transportation: - Not regulated Set transportation: - Not regulated Air fransportation: - Not regulated SECTION 16: REGULATORY INFORMATION Federal: - Sara title III section 313: This product does not contain any substance subject to reporting regulateries as the set of the set
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Misterial can be understood of the Carbon dioxide - Specific hazards: - Material can burn generating irritating gases - Specific inservertion methods: - Appropriate protective equipment must be worn in case of fire - Section 8: Appropriate protective equipment must be worn in case of fire - Section 8: Appropriate protective equipment must be worn in case of fire - Section 9: Accidental Release MEASURES - Recovery: - Coolect in a suitable container for disposal - Cleaning / Decontamination: - Wips up affected ures with absorbent material - Dispose of material in accordance with local, state and federal requipments - SECTION 7: HANDLING AND STORAGE - Nandling: - Does not require specific technical measures. Note that handling with latex or rubber gloves - may hinbit set. Use only viryl gloves.	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Destruction / elimination: Prohibition None specifically Used packaging: Destruction of elimination: Prohibition None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea transportation: Not regulated Air transportation: Not regulated Air transportation: Not regulated SecTION 15: REGULATORY INFORMATION Federal: SecTION 15: REGULATORY INFORMATION Federal: SecTION 15: REGULATORY INFORMATION Federal: Sear title III section 313: This product does not contain any substance subject to
Extinguishing media: - Unsuitable - NONE - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Waterspray, - Foam, - Powder, - Carbon dioude - Specific hazards: Specific intervertion methods: - Appropriate protective equipment must be worn in case of fire - Section 4: Appropriate protective equipment must be worn in case of fire - Section 4: Accidental Release Measures - Recovery: - Collect in a suitable container for disposal - Collect in a suitable container for disposal - Collect in a suitable container for disposal - Disposal:	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Nores specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition Nores specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulations Regulations SECTION14: TRANSPORT INFORMATION Ground transportation: Nore applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea transportation: Not regulated Sea transportation: This product does not contain any substance subject to reporting requirements at or above de mileninis quantities All components are either listed or otherwise comply with requirements
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Misterial can brown and a control of the con	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Concentration / elimination: Prohibition None applicable SECTION 14: TRANSPORT INFORMATION Ground transportation: Not regulated Air transportation: Not reg
Extinguishing media: - Appropriate NONE - Appropriate Waterspray, - Foam, - Powder, - Carbon dioude - Specific hazards: Material can burn generating irritating gases - Specific intervention methods: Appropriate protective equipment must be worn in case of fire - Section intervention methods: - Appropriate protective equipment must be worn in case of fire - Section intervention methods: - Recovery: - Collect in a suitable container for disposal - Collect in a suitable container for disposal - Claider in a suitable container for disposal - Disposal: - Wips up affected area with absorbent material - Disposal: - Section 7: HANDLING AND STORAGE - Nandling: - Does not require specific technical measures. Note that handling with latex or rubber gloves may inhibit set. Use only vinyl gloves. - Sorraje: - Containers: - Store in supplied packaging - Incompatibilities: - Store guidzing agents	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulations Regulations SECTION14: TRANSPORT INFORMATION Ground transportation: None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea transportation: Not regulated Sea transportation: This product does not contain any substance subject to reporting requirements at or above de milenian quantities All components are either listed or otherwise comply with requirements International: Disposal in a contain any substance subject to reporting requirements are either listed or otherwise comply with requirements
SECTION 5: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Appropriate - Malespray, - Foam, - Powder, - Carbon flooride - Specific hazards: - Material can burn generating irritating gases - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - SECTION 6: ACCIDIENTAL RELEASE MEASURES - Recovery: - Collect in a suitable container for disposal - Cleaning / Decortamination: - Wips up affected area with absorbent material - Disposal: - Disposal: - Dispose of material in accordance with local, state and federal requipments - SECTION 7: HANDLING AND STORAGE - Mandling: - Does not require specific technical seasures. Note that handling with latex or rubber gloves any hinbits etc. Use only viryl gloves Storage: - Conditions: - Storage: - Conditions: - Storage: - Storage: - Storage: - Storage: - Storage: - Storage: - Conditions: - Storage: - S	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Construction / elimination: Prohibition Dispose in accordance with federal, state and local regulations SECTION 16: TRANSPORT INFORMATION Ground transportation: None applicable Set transportation: Not regulated Air transportation: Not regulated SECTION 15: REGULATORY INFORMATION Federal: Sear title III section 313: This product does not contain any substance subject to reporting regularements or a robot est minimis quantities Air components are either listed or otherwise comply with requirements Informational: Informational: All ingredients are listed on the Canadian Domestic Substance List (DSL) (DSL
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable NONE - Appropriate protective equipment must be worn in case of fire - SECTION S: ACCIDENTAL RELEASE MEASURES - Appropriate protective equipment must be worn in case of fire - SECTION S: EXCIDENTAL RELEASE MEASURES - Appropriate protective equipment must be worn in case of fire - SECTION S: EXCIDENTAL RELEASE MEASURES - Appropriate protective equipment must relate in a suitable container for disposal - Collect in a suitable container for disposal - Collectine in suitable container for disposal - University of the Appropriate in a suitable container for disposal - Disposal - Disposal - Disposal - Disposal - Disposal - SECTION S: EXPOSURE AND LINE AND LINE AND LINE AND STORAGE - Handiling: - Does not require specific technical measures. Note that handling with latex or rubber gloves may inhibit set, be only viryl gloves - Storage: - Constituen: - Storage position approved Storage position grants - Conditions: - Storage SECTION S: EXPOSURE CONTROLS/PERSONAL PROTECTION	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product resistues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations regulations Dispose in accordance with federal, state and local regulation: Describing of the packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulation: None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Bas bransportation: Not regulated Air transportation: Not regulated Air transportation: This product does not contain any substance subject to reporting requirements at or above de miniming quantities Air components are either listed or otherwise comply with requirements Infarmational: Infarmational: OSL (Carade) Air ingredients are listed on the Canadian Domestic Substance List (OSL) WHMBS (Canadia) Air controlled product* under the Canadian Workplace Mazardous
Extinguishing media: - Unsutitable NONE - Appropriate NONE - Appropriate Waterspray, - Foam, - Powder, - Carbon dioude - Specific hazards: - Material can burn generating irritating gases - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - Section in Section 1 - Secti	No affect enticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition None specifically Used packaging: Dispose in accordance with federal, state and local regulations Construction / elimination: Prohibition None applicable SECTION 14: TRANSPORT INFORMATION Ground transportation: Not regulated SECTION 15: REGULATORY INFORMATION SECTION 15: REGULATORY INFORMATION Federal: Sara title III section 313: This product does not contain any substance subject to reporting requirements at or above eliminal quantities All components are either listed or otherwise comply with requirements International: DISL (Canada) Not a "controlled product" under the Canadian Domestic Substance List (OSL) Not a "controlled product" under the Canadian Workplace Hazardous Materials information of System (WHMIS) (Canada) Not a "controlled product" under the Canadian Workplace Hazardous Materials information of System (WHMIS) (Canada)
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate -	No affect anticipated SECTION 13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations Construction / elimination: Regulations SECTION 14: TRANSPORT INFORMATION Ground transportation: Nore applicable Set transportation: Nore regulated Set transportation: Nore regulated Set transportation: Nore regulated Set transportation: Not regulated Set transportation: Not regulated Air transportation: Set Transportation: Not regulated Air transportation: Set Transportation: Not regulated Air components are either listed or otherwise subject to reporting regularements or active de minimin aquantities Air components are either listed or otherwise comply with requirements International: Used Constitutions of the Canadian Domestic Substance List (US) Not a "controlled product" under the Canadian Workplace Hazardous Materials Informations System (WHMIS) (Canada) Not a "controlled product" under the Canadian Workplace Hazardous Materials Information System (WHMIS) SECTION 16: OTHER INFORMATION
Estinguishing media: - Unsutilable - NONE - Appropriate -	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition None specifically Used packaging: Destruction / elimination: Prohibition None specifically Used packaging: Destruction / elimination: Prohibition None specifically Used packaging: Destruction / elimination: Pocontamination / washing None applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Not regulated Sea bransportation: Not regulated Air transportation: Not regulated SECTION 15: REGULATORY INFORMATION Federal: SECTION 15: REGULATORY INFORMATION Federal: SECTION 15: REGULATORY INFORMATION Federal: Not regulated Air transportation: Not regulated Air transportation: SECTION 15: REGULATORY INFORMATION Federal: SECTION 15: OR Regulated to the canadian by substance subject to reporting requirements are either listed or otherwise comply with requirements Informational: Not regulated Air transportation substance List (OSL) Not controlled product" under the Canadian Domestic Substance List (OSL) Not a "controlled product" under the Canadian Workplace Hazardous Materials Information System (WHMIS)
SECTION S: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Carbon dioxide - Specific hazards: - Material can burn generating irritating gases - Specific inservertion methods: - Appropriate protective equipment must be worn in case of fire - Section 8: Appropriate protective equipment must be worn in case of fire - Section 8: Appropriate protective equipment must be worn in case of fire - Section 8: Appropriate protective equipment must be worn in case of fire - Section 9: Accident A. RetLeABE MEASURES - Recovery - Collect in a suitable container for disposal - Cleaning / Decontamination: - Wips up affected ures with absorbent material - Disposa: - Dispose of material in accordance with local, state and federal requipments - SECTION 7: HANDLING AND STORAGE - Handling: - Does not require specific technical measures. Note that handling with latex or rubber gloves may inhibit set. Use clini viryl gloves Storay synthetis set. Octobions: - Storay synthetis set. Storay says from heat sources. Temperature will affect set time - SECTION 8: EXPOSURE CONTROLS/PERSONAL PROTECTION - Engineering controls: - None required - Personal protective equipment: - Hand grotection: None required	No affect anticipated SECTION 13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations Construction / elimination: Regulations SECTION 14: TRANSPORT INFORMATION Ground transportation: Nore applicable Set transportation: Nore regulated Set transportation: Nore regulated Set transportation: Nore regulated Set transportation: Not regulated Set transportation: Not regulated Air transportation: Set Transportation: Not regulated Air transportation: Set Transportation: Not regulated Air components are either listed or otherwise subject to reporting regularements or active de minimin aquantities Air components are either listed or otherwise comply with requirements International: Used Constitutions of the Canadian Domestic Substance List (US) Not a "controlled product" under the Canadian Workplace Hazardous Materials Informations System (WHMIS) (Canada) Not a "controlled product" under the Canadian Workplace Hazardous Materials Information System (WHMIS) SECTION 16: OTHER INFORMATION
SECTION 8: FIRE-FIGHTING MEASURES Extinguishing media: - Unsuitable - Appropriate - Appropriate - Appropriate - Appropriate - Appropriate - Foam, - Powder, - Carbon dioulde - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - Specific intervention methods: - Appropriate protective equipment must be worn in case of fire - SECTION 8: ACCIDENTAL RELEASE MEASURES - Recovery: - Collect in a suitable container for disposal - Cellect in a suitable container for disposal - Cellect in a suitable container for disposal - SECTION 8: ACCIDENTAL RELEASE MEASURES - Biopose of material in accordance with local, state and federal requipments - SECTION 7: HANDLING AND STORAGE - Handling: - Does not require specific technical measures. Note that handling with latex or rubber gloves may inhibit set. Use only vinyi gloves Storage: - Containers: - Storage: - S	No affect anticipated SECTION13: DISPOSAL CONSIDERATIONS Product residues: Destruction / elimination: Prohibition Nore specifically Used packaging: Dispose in accordance with federal, state and local regulations regulations Prohibition Nore specifically Used packaging: Destruction / elimination: Dispose in accordance with federal, state and local regulations Regulations SECTION14: TRANSPORT INFORMATION Ground transportation: Nore applicable SECTION14: TRANSPORT INFORMATION Ground transportation: Nore regulated SECTION15: REGULATORY INFORMATION Federal: STATE SECTION SE
